OFFICE OF PETITIONS

I, ROBERT J. BENNETT, am the attorney for the Applicant of this reissue application.

I have been informed that the record owner of the subject patent, Stanford Telecommunications, Inc. (herein "STI"), has been acquired by a Canadian company. I have also been informed that following the acquisition of STI by the Canadian company, ownership of the subject patent may have been transferred to either the Canadian company or yet another company. At this time, it has not been finally determined which company owns the subject patent. In view of all of the above, Applicant has been unsuccessful in obtaining the identification of one whom can sign the requisite consent.

Accordingly, I respectfully request at least temporary waiver of the requirement for written consent of the Assignee to allow examination of this application to proceed while someone with authority to sign such written consent is located.

Respectfully submitted,

Robert J. Bennett
